## RESULTS OF OPEN CALL

### Provision of medical services to the Cypriot citizens that live in rural and remote areas and do not have easy access to healthcare services and prescribed medicines - CYPRUS CHALLENGE FOR RECIPIENTS OF FINANCIAL SUPPORT

Project Acronym: CHERRIES

Project Grant agreement number: 872873

Project Full Name: Construction Healthcare Environments through Responsible Research Innovation and Entrepreneurship Strategies

Project CHERRIES, funded from the European Union's Horizon 2020 research and innovation programme under grant agreement N° 872873, launched an open call for recipients of financial support.

The call closed on the 15th of April, at 24h00 (CEST).

A total of 12 applications were received for this call. One proposal will receive funding for a total amount of 50.000 EUR.

The evaluation and selection has been completed.

All proposers have been informed about the evaluation results for their proposal for financial support.

### Call information

The call was published on project CHERRIES's website (<https://www.cherries2020.eu/>) and on the Horizon 2020 Participants Portal (<https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/competitive-calls>) on the 15th of February 2021. Full call details were published at: ([CHERRIES Cyprus | Open Call for Solutions – CHERRIES \(cherries2020.eu\)](https://www.cherries2020.eu/)).
